

February 2010 Meeting Minutes

This month's meeting was held February 20th at the Eastfield College flying site. There were 6 members and one visitor in attendance. The visitor was James Collier, who resides in Arlington. James is very much interested in getting into the hobby.

Ralph Snow reported \$4559.89 in the club treasury as of February 19th. Two members paid their dues at the meeting and Ron Romeo was reimbursed for the software he had purchased for updating the club website.

Chris Vanderbilt reported that he had contacted the Dallas RC club to see whether they have someone who would be willing to be the Contest Director for our September event held at their field. They said that they do not have a CD for their events at the present time and cannot help us. Thereupon Warren Bean volunteered to become a CD for this year's event.

Ralph reported the results of the email survey of members regarding the scheduling of the club meetings. The vote was 4 to 2 in favor of having the meeting first on the second Saturday of each month, followed by the flying session. On the question of whether to adhere to the second Saturday for the meeting regardless of weather or postpone the meeting if it was necessary to postpone the flying, the vote was 3 to 3. After further discussion some of the members who had not responded to the email expressed their opinions, with the result that a decision was made to tie the meeting to the flying session. If the weather on the second Saturday forces re-scheduling, both the meeting and the flying will be re-scheduled.

Ron Romeo reported good progress with the updating of the website. Ron has received suggestions from several members which he will incorporate.

The meeting was adjourned at 11 AM.

Ralph Snow
DEAF Secretary/Treasurer
