

December Meeting Minutes

The December meeting was held December 16, 2004 at the Samuell Grand Recreation Center. There were 8 in attendance, including visitors Justin Burris and Glenn McLaren.

Ralph Snow reported \$4375.35 in the club treasury as of December 15. He also reported that member Dick Jacobs is recovering from triple bypass surgery. Billy Holliman reported that Ron Morris had not been able to attend because of health problems.

It was decided that the monthly club events at Eastfield for the coming year would be strictly fun-fly get togethers with no competitive events included. This could be changed in the future if there is renewed interest in competitions.

With only 6 members present it was decided to postpone nomination and election of officers until the January meeting. There was some discussion of the frequency of meetings; whether to continue meeting monthly or to return to a bi-monthly schedule as in the past. There were opinions expressed on both sides of the question and it was agreed that more members should be involved in any decision.

The meeting adjourned at 8:15 PM. Ralph
