

November 2007 Meeting Minutes

This month's meeting was held November 10th at the Eastfield College flying site in Mesquite. There were 11 members and one visitor in attendance.

Ralph Snow reported \$4242.62 in the club treasury as of November 9th.

The members proceeded to re-elect the current officers to serve for another year.

It was brought to the attention of the members that the annual Santa Cop fun fly at the 114th Aero Squadron's field in Grapevine is scheduled for Saturday, December 8th. Admission is one new unwrapped toy or \$10. Since this is the second Saturday of the month it will take the place of our normal club flying day for December.

It was decided that since there has been a lack of participation in the Unlimited Motor Run Sailplane contests that have been scheduled for our recent monthly flying sessions we will no longer schedule such contests.

In response to President Chris Vanderbilt's request for suggestions for improving the annual Fly-In, two suggestions were offered:

1. Have a separate ARF class in the scale event.
2. Obtain a more capable Bull Horn or PA system.

These suggestions were noted but no decisions were made.

The meeting was adjourned so that the members could enjoy the nice (for November) flying weather.

Ralph Snow, Secretary/Treasurer
