

## March 2009 Meeting Minutes

This month's meeting was held March 19th at the Samuell Grand Recreation Center in Dallas. There were five members in attendance.

Ralph Snow reported \$4396.66 in the club treasury as of March 18<sup>th</sup>

Ralph Snow presented a letter which he had received from Eddie Salame, Chief of Police of Grapevine. In the letter the Chief expressed his appreciation for the toys donated by DEAF members to the Santa Cops program last December.

Ron Romeo reported that he has obtained software with which to manage the club web site, but that he is having some problems with his computer and is not yet ready to take over the management from Greg Judy. He declined to accept reimbursement for the software until he is able to get the program running. It was agreed that the Secretary will send the minutes of the meetings to both Ron and Greg in the interim.

The Secretary was authorized to purchase some new DVD's for club use. Subsequent to the meeting the NEAT Fair 2008 and SEFF 2008 videos were ordered.

It was decided that, weather permitting, the May club meeting will be held at the Eastfield flying site in conjunction with the scheduled flying session.

Ed Carr showed his new model based on the Sky Rider aerobatic model featured on the You Tube site, <http://www.youtube.com/watch?v=-WdDsxDnVSE>. Since his version is much smaller than the original, Ed is attempting to make do with only two servos instead of four.

The remaining hour was spent enjoying a DVD entitled "Top Gun 2006".

The meeting adjourned at 9:00 PM.
