Warren Bean reported that he has received the AMA sanction for the DEAF-24 Fly-In, and that the following hobby shops will support the raffle: Mike's, A-1, New Age, Roy's, and Hobby Town. Ron Romeo said that he would assist Warren with listing the shops on the DEAF-24 flyer. Warren also reported that he had contacted the Scout troop and that they will be ready to provide the food.

Ron reported that the new web site is on line, but that only two members had registered thus far. Registration enables access to the Members page with the Members Calendar, Members Directory, and Members Forum.

Billy Holliman reported on his visit to the Rorie Galloway Park in Mesquite. The club received an invitation from Wendi Hanna, who is the Day Camp Program Director for the BSA Circle 10 Tomahawk District to put on a 30 minute flying demonstration for the cub scouts at the camp on June 7th. Billy reported that there is a sufficiently large cleared area among the trees to safely fly park flyers and helicopters. The demonstration is to start at 6:50 PM and it was decided that the members who wish to participate will arrive at the park at about 6:00 PM to get set-up. We will have some models to fly and some others for static display and demonstration. Billy had talked with Brent at A-1 Hobbies who expressed an interest in being involved in the demonstration. Ralph Snow will check with Wendi to make sure that she is OK with that, and then notify Brent.

Frank Korman indicated that he is willing to resume the office of Safety Coordinator. Ralph will so notify the AMA club secretary.

The meeting was adjourned at 11:12 AM.
