

This month's meeting was held May 14th at the Eastfield College flying field. There were 6 members in attendance.

Ralph Snow reported \$3360.16 in the club treasury as of May 13th. That was after reimbursing Warren Bean for DEAF-25 expenses and receiving dues from new member Neill Graham.

Warren Bean reported that he has received a DEAF-25 raffle donation commitment from Mike's Hobby Shop. He also stated that the owner of Roy's is on vacation until after June 1st. Ralph Snow agreed to contact Roy's and the Arlington Hobby Town after that date to solicit raffle donations. Warren said that he is thinking about sending out another round of donation requests soon.

Frank Korman showed his almost completed Garami Stratostreak powered by a geared Astro 15 on 3 LiPo cells. He also announced that he has an Uhu (no gear installed) for sale at \$10.

The meeting was adjourned at 10:45 AM.

Ralph Snow
DEAF Secretary/Treasurer
