

September 2007 Meeting Minutes

This month's meeting was held September 20th at the Samuell Grand Recreation Center in Dallas. There were 7 members in attendance.

Ralph Snow reported \$4121.57 in the club treasury as of September 19th.

Elections for offices will be held at the November meeting. The present officers agreed to run for another term. No other nominations were put forward.

It was tentatively decided to hold the November meeting at Eastfield in conjunction with the regular flying session on Saturday November 10th, starting time 10AM. We will see if this brings any more members to the meeting. If the weather forecast looks bad for Saturday we can switch the meeting to Thursday the 15th at Samuell Grand.

Chris Vanderbilt stated that he had committed the club to 50 Barbeque dinners at \$7.50 each for Saturday evening at the Fly-In. Chris will purchase one or two fire extinguishers to have on hand at the Fly-In in the event of Li-Po battery problems.

Ralph Snow will contact Ron Morris to determine which day at the Fly-In would be best for Ron to participate in the Randy Randolph Design event. Ralph will then email the members to let them know which day has been designated.

There was some discussion about the various ideas received from the members concerning ways to spend down the club treasury. No decisions were arrived at.

At the conclusion of the business session Michael Saint showed his recently completed "Mini I.F.O." model. The members then viewed the DVD "Top Gun 2006", which is one of three which have been acquired by the club.

The meeting adjourned at 9 pm.
