

This month's meeting was held April 9th at the Eastfield College flying field. There were 9 in attendance.

Ralph Snow reported \$3399.02 in the club treasury as of April 8th. That was after paying the annual maintenance fee for the website.

Warren Bean reported that he has sent solicitation letters to 102 vendors and has received commitments from 2 distributors to support us in our DEAF-25 raffle. Chris Vanderbilt agreed to contact the various model magazines to request mention of our event.

Warren expects to have the DEAF-25 flyer updated ready to send to clubs and vendors by the end of April.

There was some discussion as to whether the proposed Friday night indoor flying session at DEAF-25 is viable. It was decided to postpone a decision until it is determined whether a facility will be available near the Seagoville flying site and whether club members can be found who are willing to take responsibility for the activity.

Warren stated that he hopes that another member will be willing to CD the Fly-In next year and Ron Romeo expressed his wish for someone else to take charge of the website ASAP.

The meeting was adjourned at 10:45 AM.

Ralph Snow
DEAF Secretary/Treasurer
