

June 2011 Meeting Minutes

This month's meeting was held June 11th at the Eastfield College flying field. There were 7 members in attendance. In addition, we were visited by James Sullivan and his 6 year old grandson.

Ralph Snow reported \$3360.27 in the club treasury as of June 10th.

Ralph brought \$100 worth of gift certificates which had been contributed by Roy's Hobby Shop for the DEAF-25 raffle. Ralph stated that he would contact the Hobby Town in Arlington for a donation, but indicated that he did not expect that shop to contribute, based on last year's experience. Warren Bean said that he is considering sending another round of donation requests, probably by e-mail.

There was discussion concerning Ron Romeo's request, via e-mail, that we find someone willing to take over the job of maintaining the club web site. Chris Vanderbilt suggested that we ask Ron to prepare a written statement describing what is required to do the job. Ralph agreed to contact Ron and ask if he can do that.

A few members showed their models, including Chris's F-4F Wildcat which flew long and realistically.

The meeting was adjourned at 10:45 AM.

Ralph Snow
DEAF Secretary/Treasurer
